WORD CLEARING - OK TO DO

The following points concerning Methods 3 and 2 Word Clearing have recently been clarified by Ron.

- (1) Course Word Clearing can be done on a student currently being audited.
- (2) An F/N does not have to be obtained (by rudiments or talking the TA down) before Course Room Word Clearing can be started.
- (3) If the TA is high or the student is upset (or becomes upset) this must be reported at once to Department 13, and handled by a Word Clearing Correction List.
- (4) Course room Word Clearing must be started with the statement "I am not auditing you".
- (5) Course room Word Clearing does not have to be C/Sed. (Worksheets must be made however and filed in the student training folder where they can be obtained by the Word Clearing C/S if necessary.)
- (6) The student does not have to see the pc Examiner after having Word Clearing on course.
- (7) If a student-Word Clearer is continually getting his twin into upsets on Word Clearing the correct action is for the Supervisor to pink sheet him on the HCOBs he is violating. (Word Cleared star-rate & demo in clay.) Consistent flubbers should be sent to Cramming. No one may restrict or limit Word Clearing generally because some students are badly trained in how to do it.
