HANDLES SITUATIONS ON ALL DYNAMICS
The Administrative Levels (now in progress)
Goes PRO-DETERMINED ACROSS GAMES MASTER

"The Games Master" - "Boots in the Sky" handles any tendency to go on a dwindling spiral again. (OT 34-40)

"Caselessness" - after the "Super Static Rundown" a person has no case and requires no further auditing.

"The Grail Levels: OT 14-16" - reveal incredible data about the games Ons get into - and couldn't get out of - until now.

"The CIO (Commanding Officer) Cycle" - This rundown (RD) puts the OT in control of his body and makes it easy for him to keep it operational.

"Super Power for OTs" - OT 12, the "Pre-Static Life Repair", OT 13, the "Pre-Static Priority Assessment", and the "Clone Cycle Rundown" are a power package that handles why an OT didn't remain an OT.

"The Phoenix" - OT 9, 10, & 11 open the door to the OT's own Dynamics, and what he did - and didn't do - on them. Now, with TECH, he can end cycle so that everyone wins - including himself.

"Body Straightwire" - an optional rundown which takes care of any body somatics still persisting after Excalibur has been completed.

"Excalibur" and "OT Life Repair" - handle the most secret and ancient barriers to OT, an organized attempt on the part of the force Ons to conform to a lower state of awareness. First, an audited Excalibur, and then on Solo, the pre-OT finds himself fighting World War III - "the war for the control of mensminds". But now, with the weapons of Tech, Policy, and Ethics he can WIN and does.

OT 4, 5, 6, 7 - Optional Levels at the CIS's discretion and analysis, to prepare a pre-OT fully for Excalibur. To handle valences, life incidents on the body, drug effects, or boost the pre-OT's intention.

OT 3 - Handles the major whole track incidents that have affected Ons. Reveals the true history of Earth.

OT 2 - Breaks up the first barriers to going OT.

OT 1 - Orients a Clear to his new role as a pre-OT.

Solo Assists - prepare the Clear for his job as a Solo Auditor - so he can audit his case.

Training: Auditors training, all levels.

- Excalibur Internship
- OT CIS Course (covers OT 1-8)
- The Super Static CIS Course (covers complete handling of a case from no auditing to Caselessness)
